A. F. — We are Marching On to glory — A. Fieldhouse

come along

We are marching on to glory come a-long

We have heard the old old story come along
though the way be rough and dreary
why not join the Christ's army

come along

long

How Jesus suffered on the tree
that we might from sin be free
he'll make the rugged places smooth
you shall win there's naught to lose
there is no hope if you de-lay
join the army now to-day

come along

Chorus

We are marching on to glory come along

We are marching marching on to

glory we are marching wont you come along

We are marching

marching on to glory we are marching wont you come a-long

The John Church Co's. Music Tablet.
